From The Principal's Desk...

"The mind is not a vessel to be filled, but a fire to be kindled." - Plutarch

Keeping in mind that to teach is to touch a life forever, Galsi Mahavidyalaya believes in holistic education that encompasses academics, co-curricular activities, sports education and life-skills learning. As we venture ahead in this spectacular valley of making the future citizens of the country, our endeavour is to strike a balance between state-of-the-art- infrastructure and a robust curriculum under Choice Based Credit System (CBCS) and National Education Policy (NEP) 2020 that opens the door to global platforms for our students. It is said that "The best way to find yourself is to lose yourself in the service of others." Firmly believing in our core values of Courage, Compassion, Equality and Integrity we at Galsi Mahavidyalaya aim to nurture our students so that they are well equipped to face the competitive society with value- based knowledge and skills that have contributed towards the growth and vision in building global citizens and a conscientious humanity. The college is not just a platform for performance but it is also a community which promote collaborative or participatory learning through community-oriented activities.

It is my pleasure to welcome you to the family of Galsi Mahavidyalaya, which since its inception in the year 2007 has been widening its horizons in the field of arts education in the locality. A new academic year brings with it a fresh batch of young learners. I extend a hearty welcome to all the students who are being admitted to our esteemed institution. It is necessary for the student community to realize that the journey from the world of learning to the world of earning is not the same as it was some years back. They need to showcase their employment skills which I believe cannot be taught but only be developed with time. We have to continue to move ahead for producing and maintaining the best. I also take this opportunity to call upon all the stakeholders to help us realize our dream of transforming this college into a centre for educational excellence so that this college is able to give academically accomplished, socially conscious, morally sound and economically resourceful individuals who are a model for the society and an asset for the country.

Dr Amit S Tiwary

Principal, Galsi Mahavidyalaya

About the college

Galsi Mahavidyalaya, a coeducational general degree college situated in the heart of Galsi, Purba Bardhaman, has grown significantly since its humble beginning on 15th June 2007 with 129 students in a building provided by Galsi High School. With unwavering support from local well-wishers—who contributed land and resources—the college soon relocated to its own/present campus. Founded to extend higher education to economically disadvantaged rural youth—particularly those unable to access distant institutions—the college is dedicated to fostering intellectual growth, holistic student development, and socially responsive engagement, with a particular focus on the empowerment of young women. Its dedication to maintaining high standards in teaching and administration has been recognized through the attainment of NAAC accreditation with a Grade B in 2024. Further affirming its quality management and environmental responsibility, the college is proudly certified under ISO 9001:2015 and ISO 14001:2015 standards.

The college came under the grant-in-aid scheme of the Higher Education Department, Government of West Bengal, in 2007–08 and received permanent affiliation from the University of Burdwan in 2008–09. It was recognized under Sections 2(f) and 12(B) of the UGC Act, 1956 in July 2016. Since its inception, the institution has steadily advanced through the committed efforts of its faculty, staff, students, and the local community. Currently, the college is supported by eleven permanent teachers (including the Principal), twenty-two Government-approved State Aided College Teachers (SACT), and thirteen support staff (including temporary staff). Academic offerings began in 2007 with general courses in five Arts subjects—Bengali, English, History, Political Science, and Sanskrit. Honours in History and English were introduced in 2008–09, followed by Honours in Bengali, Sanskrit, Philosophy, and Political Science in subsequent years.

In line with NEP 2020, Galsi Mahavidyalaya offers a 3-year Undergraduate Degree Programme with majors in Bengali, English, Sanskrit, History, Political Science, Philosophy, and Geography, along with a 4-year Honours Programme in six major subjects: Bengali, English, Sanskrit, History, Political Science, and Philosophy.

Galsi Mahavidyalaya boasts a lush green and clean campus with 60% open space including a tranquil water body, offering a serene and eco-friendly learning environment. The college provides free Wi-Fi for all students and staff, a partially digitized library managed through the KOHA system, and largely online student services. It hosts a vibrant calendar of events including national and international seminars, cultural programs, cultural competitions, Freshers' Welcome, departmental exhibitions, annual functions, educational tours, sports meets, indoor and outdoor games. Students have consistently excelled in inter-college competitions organized by the University of Burdwan. Two active NSS units promote community engagement and social responsibility. The college has also established collaborations with other institutions, industries, and NGOs to support faculty and student exchange, research, skill development, and employability-focused training.

Majority of the students come from agrarian families, and as a co-educational institution, it has played a pivotal role in advancing higher education—particularly for girls—from the rural heartland of Galsi. Students consistently perform well in university examinations. The college facilitates access to government and non-government scholarships, offers tuition fee waivers for deserving students, and supports educational loans through the West Bengal Government's Student Credit Card scheme. The college takes pride in maintaining itself as a ragging free institute.

We extend our heartfelt gratitude to Dr. J. B. Medda, the former Inspector of Colleges (University of Burdwan), the Headmaster and staff of Galsi High School, public representatives, local authorities, the Rice Mill Owners' Association, land donors, and the Higher Education Directorate for their invaluable support in establishing and developing Galsi Mahavidyalaya. We are especially thankful to the local community for their unwavering commitment and generous contributions. The college remains dedicated to its vision of becoming a centre of academic excellence, nurturing socially responsible, morally grounded, and accomplished individuals.

VISION

The vision of the college rooted in the 5Es i.e. Enlightenment, Empowerment, Enfranchisement, Efficiency & Effectiveness is to accomplish the eternal quest of Knowledge. Truth, Radiance, Dharma and ensure holistic development of students by highlighting students' personal growth and self-awareness in the journey of wisdom along with imparting value-based quality education to enable our students to sharpen their academic competence and tweak their aesthetic sensibility in transforming themselves into an academically accomplished, socio-economically conscious, morally sound individuals who will make a mark of their own in the society.

MISSIONS:

"We want education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet." - Keeping these words of Swami Vivekananda in mind we try to develop a symbiotic relationship within the institution in general and between the institution and society at large in particular by providing the students with an environment conducive to all-around development of their intellectual, aesthetic, spiritual, and social abilities. The stated mission of the college is:

- To develop new knowledge through critical research and scholastic inquiry;
- To build a culturally sensitive inclusive environment upholding core value of unity, diversity, and integrity;
- To impart vibrant co-curricular and extra-curricular activities toward holistic education;
- to ensure competencies for new domains of knowledge, research and future of work in a globally connected world;
- To enhance the competence and skills of the learners towards embracing diversity and the pursuit of excellence;
- To promote research activities among faculties and learners and to integrate teachers' research works with teaching for the benefit of students;
- To maintain a clean and green environment for the cognitive development of the students;
- To ensure academic environment, in and out of the classroom, develop creative and critical thinking. and to develop employment skills among the students.

STUDENT SUPPORT SYSTEMS

Internal Complaints Committee (ICC): The Internal Complaints Committee (ICC) in a college handles complaints related to harassment, discrimination, or any form of misconduct within the institution. It ensures a safe and respectful environment for all students, staff, and faculty. Our college has an Internal Complaints Committee constituted according to UGC Notification (Prevention, Prohibition and Redressal of Sexual Harassment of women employees and students in higher educational Institutions Regulations, 2015) to prevent and take appropriate action against sexual harassment in the institution.

Anti Ragging Cell: The Anti-Ragging Cell in a college is responsible for preventing and addressing incidents of ragging, which includes any form of harassment, bullying, or intimidation of new students by their seniors. It typically works to create awareness, enforce anti-ragging policies, and provide support to victims. Ragging is strictly prohibited in Galsi Mahavidyalaya, Burdwan as per UGC Regulations on curbing the menace of Ragging in Higher Educational Institutions, 2009 (under section 26(1)(g) of the UGC Act 1956).

Grievance Redressal Cell: The Grievance Redressal Cell of our college handles complaints and grievances from students regarding various issues such as academic matters, administrative concerns, or personal disputes. It serves as a platform for resolving conflicts and ensuring fairness and transparency in the institution. Students may register their complaints / grievances / suggestions (if any) physically in the college 'Grievance Box' or can register the same online through the college website.

CODE OF CONDUCT AND DISCIPLINE FOR STUDENTS:

- Students should maintain discipline in the campus and their conduct should be satisfactory.
- Students are expected to attend the lectures regularly as per the time table of the college.
- Students should wear identity card or carry gate pass issued at the time of admission during college hours, including in examination and in all college functions and activities. The students may be required to produce their identity cards whenever required.
